To Whom it May Concern:

I have had the pleasure of knowing Eric Stewart for eight years. During the years of our acquaintance, I have known Eric in many capacities. Throughout that time he has assisted me with many tasks requiring technological expertise. He and his wife also spent a vacation one summer helping my wife refinish our kitchen cabinets while I was away at a summer training program.

Eric is organized, efficient, extremely competent, and has an excellent rapport with people of all ages. His communication skills, both written and verbal, are excellent.

Eric is an intelligent, capable, dedicated, and personable young man. He is always quick on his feet, with sensible reactions in all the circumstances I've seen him in. I feel confident in saying that he is capable of handling any situation with thoughtfulness and maturity.

In summary, I highly recommend Eric for any position or endeavor that he may seek to pursue. He will be a valuable asset for any organization. If you have any questions, please do not hesitate to contact me.

Sincerely yours,

Steven Hampton
